

Be a Man

Aqua

The world is quiet
Like there is no one around
But I feel you beside me
I know the secrets
You keep locked away inside Don't understand, why you are fighting
No, she must be special
This new girl by your side
I seek for answers, when I look into your eyes And he turns, so I can't, but I will be strong
For once in your life, be a man
Just tell me the words, coz I know
That you can, don't leave me with scars
That no one can hear
For once in your life, be a man You made me love you
Love you right from the start
You are controlling my heart, babe
Don't pack your bags yet
Give me time to say goodbye Just don't leave me wounded
No, I just hope you will regret the things you do
Come back to me
'Coz our love is the real thing
And he turns, so I can't, but I will be strong For once in your life, be a man
Just tell me the words, coz I know that you can
Don't leave me with scars
That no one can hear
For once in your life be a man I knew that I
I fought to keep our love strong
If you leave me now
You come running back for more, babe
And I hope for, and I wish for
And I pray, that the words from your mouth can
Eventually make you a man For once in your life, be a man
When everything stops
For a minute in your life
I'll hope that
For once in your life, be a man Just tell me the words, coz I know that you can
Don't leave me with scars
That no one can hear
For once in your life, be a man
Be a man Tell me the words

Once in your life
Be a man
Tell me the words
