

Let It Snow, Let It Snow, Let It Snow

Gloria Estefan

Oh, the weather outside is frightful
 But the fire is so delightful
 And since we've no place to go
Let it snow, let it snow, let it snowNo, it doesn't show signs of stopping
 And I brought some corn for popping
 The lights are turned way down low
Let it snow, let it snow, let it snowWhen we finally kiss goodnight
 How I'll hate going out in the storm
 But if you'll really hold me tight
All the way home, I'll be warmThe fire is slowly dying
 And my dear we're still goodbyeing
 But as long as you love me so
Let it snow, let it snow, let it snowWhen we finally kiss goodnight
 How I'll hate going out in the storm
 But if you'll really hold me tight
All the way home, I'll be warmThe fire is slowly dying
 And my dear we're still goodbyeing
 But as long as you love me so
Let it snow, let it snow, let it snowLet it snow, let it snow
 Let it snow, let it snowOne more time
 Let it snow, let it snow
 Let it snow, let it snow
