

# Silent Night

## Bon Jovi

After the smoke clears  
When it's down to you and I  
When the sun appears  
And there's nothing left but good-byes  
We'll just turn and walk away  
How could we let it end like this  
Just turn and walk away  
Should we seal it with a kissIt's too late  
Now you're out and on the run  
It's too late  
Held up in love without a gun[Chorus:]  
Silent night  
We hold up our candle light  
Silent night  
The night our love died  
No words to say  
And we're both too tired to fight  
Just hold me close and don't let goIt was all so simple when  
You were to be queen and I'd be your king  
I guess those dreams got lost  
Cause baby you're still you and I'm still me  
Now letting go  
It's always the hardest part to fight  
When we both know  
We're just two more victims of the nightIt's too late  
Too late to wonder why  
Much too late  
To save a love that's died.[Chorus]Just hold me close and don't let me goAfter the smoke cleared  
It was down to you and I  
When the sun appeared  
There was nothing left but good-byes  
Silent night
