Rock and Roll Rave

The Preatures

Well you know that little place you like to go after dark?
Brighton up Bar playing Mac De Marc
Rock and roll nightclub 77
I got this, how did this happen?And you wonder now baby what you're turning into
Is he lookin at me oh nah he's looking at you
But I find myself stepping deep down deep down
To the rock and roll night club looking forYou (Get down here)
You (Get down here)
Come over hereWell you know that little place you like to go after dark?
Brighton up Bar playing Mac De Marc
Rock and roll nightclub 77
I got this, how did this happen?And you wonder now baby what you're turning into
Is it something to fear when I'm looking at you?
But I find myself stepping deep down deep down
To the rock and roll night club looking forYou (Get down here)
You (Get down here)And it's on the beat, you can't fight
It's already in your mind
Oh baby, you can't stop, not when I'm looking for you
Tonight, it's live, I guess I got you in my sight
Well You Know that little place you like to go after dark
Well You know that little place you like to go after dark
Well You Know that little place you like to go after dark
Well You know that little place you like to go after dark....
