

The Surf Song

Orange Grove

sun is shining early riserâ€¢ itâ€™s time you set your mind freeâ€¢
from all those thoughts that can be blindingâ€¢
you from all these opportunitiesâ€¢
a waveâ€™s forming on your horizonâ€¢
much closer than it all may seemâ€¢
and itâ€™s not bout just having the timingâ€¢
itâ€™s more bout wanting to pursue your dreamsâ€¢

a ship in the harbor may be saferâ€¢
than one way out at seaâ€¢
but sailingâ€™s what each ship was made forâ€¢
and the same goes for you and me
â€¢i once knew better and didnâ€™t do betterâ€¢
but now i know that iâ€™d better do itâ€¢
cause if you know better then you should do betterâ€¢
cause come some day waves can take this all away
