Darling Dreamer

Tanlines

My darling queen
You found the strength to believe
Your lair invincible
You are as you want to be seen
And I know you can find your way
My darling dreamerNow our time has come
We've been here for far too long
Please, wait for meMy darling such a weight
A force beyond your strength
Mercury needs what you believe
My darling dreams do fade
But I know you can find your way
And I know you can find the strength
My darling please believe
You can't fall by me
Now our time has come
We've been here for far too long
Please, wait for me
