

One Of A Kind

Bosson

I don't trust you, that's what I like about you
Baby, we are one of a kind
I can't reach you, that's why I wanna have you
It's been so easy, easy come and easy go
Going in the fast-lane, love is for free and so are you
I took some wrong turns and now I get what I deserve
You're the one I deserve and you're the one
'Cause I don't trust you, that's what I like about you
I can't reach you, that's why I wanna have you
Wanna get to know you, I wanna figure you out
Because you're different, we're gonna be one tonight
You met the right now, 'cause we are just the same
And I will show you 'cause I invented this game
I'm coming at ya 'cause you've made up my mind
This is it, we are, baby, we are one of a kind
Oh, baby, we are one of a kind
Oh, we are one of a kind
Oh, baby, we are one of a kind
Oh

I've been a bad boy, leaving mad and broken hearts
I didn't mean to, was too afraid to break my own heart
But now I'm ready, ready to get what I deserve
You're the one I deserve and you're the one
'Cause I don't trust you, that's what I like about you
I can't reach you, that's why I wanna have you
Wanna get to know you, I wanna figure you out
Because you're different, we're gonna be one tonight
You met the right now 'cause we are just the same
And I will show you 'cause I invented this game
I'm coming at ya 'cause you've made up my mind
This is it, we are, baby, we are one of a kind
Oh, baby, we are one of a kind
Oh, we are one of a kind
Baby, we are one of a kind
Baby, we are one of a kind
Listening to the ground
Swift me of my feet
Falling in love with you
Slap me in the face

Ready to let go
Falling in love with you
Baby, we are one of a kind
Oh, baby, we are one of a kind
Oh, we are one of a kind
Baby, we are one of a kind
Oh, baby, we are one of a kind
Baby, we are one of a kind
