

Still Crazy After All These Years

[Paul Simon](#)

I met my old lover on the street last night
She seemed so glad to see me, I just smiled
And we talked about some old times
And we drank ourselves some beers Still crazy after all these years
Still crazy after all these years I'm not the kind of man who tends to socialize
I seem to lean on old familiar ways
And I ain't no fool for love songs
That whisper in my ears Still crazy after all these years
Still crazy after all these years Four in the morning, crapped out, yawning
Longing my life away
I'll never worry, why should I?
It's all gonna fade Now, I sit by my window and I watch the cars
I fear I'll do some damage one fine day
But I would not be convicted
By jury of my peers Still crazy after all these years
Oh, still crazy, still crazy
Still crazy after all these years
