

Didn't I

Darondo

Didn't I treat you right, now
 Didn't I
 Didn't I do the best I could
 Didn't I
 Didn't I give ya everything
 Didn't I
 I tried my best just to be a man
 Didn't I Didn't I do it baby
 Didn't I do right
 Why you wanna leave me baby
 Didn't I treat you right I bought you diamond rings
 Everything, that a woman could need
 I bought you cars, clothes, a home
 When things were rough for me I kept on
 And I am back again Didn't I There's something wrong with you
 Tell me
 Bring me all your troubles dear
 You look bad, you should be glad
 Your leading man, always be glad, sit by home
 And let me kiss your lovely lips Didn't I do it baby
 Didn't I do right
 Why you wanna leave me baby
 I said didn't I treat you right It's a mystery to me
 That you won't
 Talk to me
 What it is
 That I've done
 To make me
