

Give In to Me

Bananarama

Give, give in to me
Give in, give in, give in, give in to me Oh, my love give me your body
Talk to me, tell me you want me
Come to me now open your mind
Secrets we'll share with each other These moments we should keep
Locked forever in our sleep
Kiss, promise left untrue
Nothing here but me and you Give, give in to me
Give in, give in, give in, give in to me Can't you hear softly I'm calling
Lay with me I'll show you the morning
Violet to blue I think of you
Whispering softly you want me These moments we should keep
Locked forever in our sleep
Kiss, promise left untrue
Nothing here but me and you Give, give in to me
Give in, give in, give in, give in to me
Give, give in to me
Give in, give in, give in, give in to me These moments we should keep
Locked forever in our sleep
Kiss, promise left untrue
Nothing here but me and you Give, give in to me
Give in, give in, give in, give in to me
Give, give in to me
Give in, give in, give in, give in to me Give, give in to me
Give in, give in, give in, give in to me
Give, give in to me
