

Bigger Than Anything

Bridget Blucher

Lord You are bigger
You're bigger
In the midst of all my problems
In the midst of all my fears
I cried to my Savior
And He heard my every prayer
He said I'm with you always
On my Me you can depend
So I wipe my weeping eyes
And I look towards the sky

Chorus

Bigger than all my problems
Bigger than all my fears
God is bigger than any mountain that I can and cannot see
Bigger than all my trials
Bigger than anything
God is bigger than any mountain, that I can and cannot see

So when I'm tempted on my journey
And my mind begins to sway
I just call out to my Savior
In the sweet hour of prayer
His presence overflows me
My problems fade away
'Cause my Master is knows my cares
And He's with me everywhere

Chorus

Bigger than all my problems
Bigger than all my fears
God is bigger than any mountain that I can and cannot see
Bigger than all my trials
Bigger than anything
God is bigger than any mountain, that I can and cannot see

Bigger than all my problems
Bigger than all my fears
God is bigger than any mountain that I can and cannot see
Bigger than all my trials

Bigger than anything
God is bigger than any mountain, that I can and cannot see

Bigger than all my problems
Bigger than all my fears
God is bigger than any mountain that I can and cannot see
Bigger than all my trials
Bigger than anything
God is bigger than any mountain, that I can and cannot see

Bigger than all my problems
Bigger than all my fears
God is bigger than any mountain that I can and cannot see
Bigger than all my trials
Bigger than anything
God is bigger than any mountain, that I can and cannot see

Bigger than all my problems
Bigger than all my fears
God is bigger than any mountain that I can and cannot see
Bigger than all my trials
Bigger than anything
God is bigger than any mountain, that I can and cannot see
