

When I Get There

Dream

You're still trying to capture the moment
I'm livin' in it
You're still tryin' to pry your heart open
The sky's been my limit I've been wonderin' if you
Are ever going to meet me halfway
Someday, will you ever make me happy, baby? When I get there, I'm finally free
When I get there, I'm home
When I get there, I'll turn the key
When I get there, I'll know I don't know where I'm going
But I'm going and I'll know it when I get there
Can't wait another minute
'Cause your heart just isn't in it and it's not fair When I get there, I'm finally free
When I get there, I'm home
When I get there, I'll turn the key
When I get there, I'll know I see myself in a cathedral
All dressed in white
That's someone who's willing and waiting
To be there by my side Don't know where I'll find him
But I'm sure enough gonna find him
Somewhere, out there
I know he's gonna make me happy, baby When I get there, I'm finally free
When I get there, I'm home
When I get there, I'll turn the key
When I get there, I'll know I don't know where I'm going
But I'm going and I'll know it when I get there
Can't wait another minute
'Cause your heart just isn't in it and it's not fair I don't know how I'll make it
So I guess I'm going to fake it 'til I'm somewhere
I don't know where I'm going
But I'm going and I'll know it when I get there I've been thinking about our situation
It's not what I want
If you can't get whatcha giving
You got to be moving on But I got no hard feelings
Just a heart that needs healing
It takes time
But I'll find another road Then I will know he is the one
Sure as rain, sure as sun
Till the day hope is gone
I will keep holding on I don't know where I'm going

But I'm going and I'll know it when I get there
Can't wait another minute
'Cause your heart just isn't in it and it's not fair I don't know how I'll make it
So I guess I'm going to fake it 'til I'm somewhere
I don't know where I'm going
But I'm going and I'll know it when I get there When I get there, I'm finally free
When I get there, I'm home
When I get there, I'll turn the key
When I get there, I'll know When I get there, I'm finally free
When I get there, I'm home
When I get there, I'll turn the key
When I get there, I'll know When I get there, I'm finally free
When I get there, I'm home
When I get there, I'll turn the key
When I get there, I'll know
