Love Is Easy

Badfinger

All that I needed was your smile
Sayin' all right, I don't mind
All that I wanted was my chance
Maybe I could learn to danceLove is easy, love is strange
Different people, different games
People, people, love a lot
Feel the love inside your heartLove is easy, easy
When you open up your heart
I said easy, easy
When you know you'll never partLove is easy, love is strange
Different people, different games
People, people, love a lot
Feel the love inside your heartLove is, love is easy, so easy
When you open up your heart
Easy, easyWhen you know you'll never part
I said easy, Lord, easy
When you open up your heart
I said easy, easy
When you know you'll never part
I said easy, easy
