

# Heaven It Cries

## Slaughter

Father of the universe  
What happened to your Mother Earth today  
The value of the common man  
Does not live up to your master plan  
Tell me am I wasting my time  
Show me why are we all so blind I've lived a million years  
I've seen the wars, I've cried the tears  
For you, Heaven it cries  
I've seen you falling to your knees  
I lift you up why can't you see?  
For you, Heaven it cries, Heaven it cries Mary, Mary full of grace show me your love  
And let it reign forever  
The miracles that you create were sabotaged  
By those who hate, why?  
Tell me is it all in my mind  
Show me what I'm going to find I've lived a million years  
I've seen the wars, I've cried the tears  
For you, Heaven it cries  
I've seen you falling to your knees  
I lift you up why can't you see?  
For you, Heaven it cries, Heaven it cries Fear not, for I have redeemed you  
I have summoned you by name, you are mine  
When you pass through the waters, I will be with you  
And when you pass through the rivers, they will not sweep over you  
When you walk through the fire, you will not be burned  
The flames will not set you ablaze, this the word Tell me am I wasting my time  
Show me why are we all so blind I've lived a million years  
I've seen the wars, I've cried the tears  
For you, Heaven it cries  
I've seen you falling to your knees  
I lift you up why can't you see?  
For you, Heaven it cries, Heaven it cries I've lived a million years  
I've seen the wars, I've cried the tears  
For you, Heaven it cries  
I've seen you falling to your knees  
I lift you up why can't you see?  
For you, Heaven it cries, Heaven it cries Peace on earth, goodwill towards men  
Peace on earth, goodwill towards men  
Peace on earth, goodwill towards men

(Heaven it cries)  
Peace on earth, goodwill towards men  
(Heaven it cries)  
Peace on earth, goodwill towards men  
(Heaven it cries)
