

# For Free (feat. Drake)

## DJ Khaled

[Intro: DJ Khaled]

Another one

We the Best Music! Major Key! DJ Khaled! [Verse 1: Drake]

I go on and on

Can't understand how I lasted so long

I must have the superpowers

Last 223 thousand hours

It's cause I'm off of CC

And I'm off the Hennessy

And like your boy from Compton said

You know this dick ain't free!

I got girls that I shoulda made pay for it

Got girls that I should made wait for it

Got girls that'll cancel a flight back home

Stay another day for it

You got attitude on na na

And your pussy on agua

And your stomach on flat flat

And your [?] on what's that?

And, yeah, I need it all right now

Last year I had drama, girl not right now

I was never gon' chat what we talkin' about

You the only one I know could fit the dick in your mouth [Hook: Drake]

I always wonder if you ask yourself

Is it just me?

Is it just me?

Is this pussy so good I shouldn't have to fuck for free?

Is it just me?

Is it just me?

Is this pussy so good I shouldn't have to fuck for free? [Verse 2: Drake]

I shouldn't have to fuck for free

I know you workin' day and night to get a college degree

Bet nobody that you've been with even know you a freak, right?

You know you only do that with me, right?

Yeah, double checkin' on you

You know I never put the pressure on you

You know that you make your own mind up

You know what it was when you signed up

Now you gotta run it up

I be out of words, tryna sum it up  
Girl you throw it back like one love  
Even let me slash on the tour bus  
Yeah I talk to her but she don't do enough  
Even though you in the hood I'm still pullin' up  
Drip, drip, straight to your doorstep  
This the real thing, can you feel the force yet[Hook: Drake]  
I always wonder if you ask yourself  
Is it just me?  
Is it just me?  
Is this pussy so good I shouldn't have to fuck for free?  
Is it just me?  
Yeah, Is it just me?  
Is this pussy so good I shouldn't have to fuck for free?  
Would you fuck me for free?[DJ Khaled]  
Another one  
They don't want me to have another anthem  
So I made sure I got another anthem  
It's We The Best OVO  
Summers ours
