

Use It or Lose It (feat. Mark Kerr)

Vitalic

If you don't use it, you'll lose it.
I feel myself slept away.
There's no abuse, so don't confuse it.
I don't want help, I just need space.
If you can't feel it, you don't need it.
They call it face, I call it hate.
It might be real, but I don't believe it.
Am I depressed? Is it to late? If you don't use it, you'll lose it.
I feel myself slept away.
There's no abuse, so don't confuse it.
I don't want help, I just need space. It's so; it's so hard; to get to heaven.
It's so; it's so hard. Don't make me bleed.
Shine on; shine above. I don't believe it.
The devil wants to know. He's teasing me.
It's so; it's so hard.
It's so; it's so hard.
