

Everything for Free

K's Choice

I don't know who you are but you seem very nice
So will you talk to me?
Shall I tell you a story? Shall I tell you a dream?
They think I'm crazy
They don't know that I like it here, it's nice in here
I get everything for freeHave you been here before? Shall I show you around?
It's very pretty
Have you come here to stay? Well, you sure picked a day
My name is Billy
It's my birthday, you're invited to my party down the hallWhere I go? What I'll become?
Or who I am or what I'll be?
I'll never know, but I am sure
That I'll get everything for freeI'm not troubled or sad, I'm just ready for bed
It's been a long day
Before they switch off the lights, it truly was a delight
They think I'm crazy
They don't know that I like it here, it's nice in hereWhere I go? What I'll become?
Or who I am or what I'll be?
I'll never know, but I am sure
That I'll get everything for freeWhere I go? What I'll become?
Or who I am or what I'll be?
I'll never know, but I am sure
That I'll get everything for free
Everything for freeI don't know who you are but you seem very nice
So will you talk to me
Have you been here before? Well, you sure picked a day
They think I'm crazy
