

# Only Heather

## Wild Nothing

Dressed in the moonlight and paler than bone  
She has got something that I've never known  
I couldn't explain it, I won't even try  
She is so lovely, she makes me feel high.'Cause only Heather  
Yeah only Heather  
Only Heather  
Yeah only Heather  
Can make me feel this way Misunderstood yet she's good I can tell  
Though everyone tells me I'm under her spell  
I'll never leave her they don't know our deal  
It's better to fake than to love her for real.'Cause only Heather  
Yeah only Heather  
Only Heather  
Yeah only Heather  
Can make me feel this way.  
Can make me feel this way.  
Can make me feel this way.  
Can make me feel this way.
