

# I Like It That Way

**Reba McEntire**

(Robert Jason)

I've got someone in my life  
Who loves me wrong or right  
And I like it that way  
He gives me room to breathe  
But he's there for me  
And I like it that way  
I like it that way  
I like the way he says my name  
And how he's not afraid

To open up and let his feelings show  
He's exactly what I need  
He loves me honestly  
One look in his eyes  
Tells me all I need to know  
When he's on overtime  
I get that little ache inside  
And I like it that way  
We're as close as two can be  
But he's still him and I'm still me  
And I like it that way  
Yeah, I like it that way
