Wide River

Steve Miller Band

Wide river she opens her mouth to the sea
Singin' dear dear ocean now, here is a kiss from me
And she runs like a river to the setting sun
She runs like a river that has never been won
She runs like a river that will always be freeWide river, carry me back home
To the place I love, that I call my own
And we can run like a river to the setting sun
Run like a river that has never been won
Run like a river that will always be freeWide river, do you remember me?
It was not so long ago that you set me free
And now I run like a river to the setting sun
I run like a river that has never been won
I run like a river that will always be freeCome on baby, let's run in circles
Come on darlin', let's circle each other
And find our love, all the love that we needCome on baby, let's circle each other
What we can do, do for each other
I'll do for you, and you'll do for meAnd we can run like a river to the setting sun
Run like a river that has never been won
Run like a river that will always be free
