

# Down Low

## Main Source

Yeah, I pump it up and I don't quit for jack  
I'm back to rap on wax so guess who's back  
The chart hitter, not a quitter or a bullshitter  
These cats know I'm the best one out the litter  
Yeah, they talk, but they be talking diarrhea  
Cause none of em got the capability to be a-  
Nother Mikey D cause I ain't having it, kid  
You can do what I do, yo how the fuck you biddin?  
I've been through wars and I came out untouched  
I'm too much, whenever the microphone is in my clutch  
I get props, I get stopped by the cops  
That's how it is hops, when my tape's in a box  
I've been through crews like a ho  
And took em out, I always let niggas know  
I keep the soul cause I'm a lyrical pro  
I play it mellow, word em up, I'm on the down low

Know what I'm saying, shit is real, G, I'm on the down low  
Gotta represent in '94, I'm on the down low  
K-Cut and Sir Scratch, LTD, shit, we on the down low  
Coming up with motherfucking platinum shit  
You know what I'm saying?

You know with Mikey D's freestyles is rougher than a rapper with practice  
I'm fantastic, true meaning of what bad is  
15 years on the scene, could never fall back  
A small pack, you're fucking right, I think I'm all that  
You know a nigga with a doubt?  
You can bring him to my session and watch me take him out  
He'll RIP when I rip him and I stick him  
In a bodybag then I'm gonna zip him  
I'll throw him in the ocean, and watch him sink  
Cause he shouldn't waste ink on them rhymes wasting time  
Cause them rhymes stink  
Mikey D's reanimated and these other rappers hate it  
I got skills, they can't fade it  
I keep the soul cause I'm a lyrical pro  
I play it mellow, word, I'm on the down low

Twin Towers in the house, on the down low  
Word up, Shaqueen in the motherfucker, she on the down low  
Different Shades of Black in the motherfucking house, on the down low  
Word up, everybody out here is on the down low  
Know what I'm saying, my man Monte, laurington nigga, he's on the down  
low  
MC Lotto, Bomb Squad, all the motherfuckers I know, they on the down low  
Rick motherfucking see-O, Red, Mark Miller, they on the down low  
Boom bashing in '94, know what I'm saying  
Everybody in this motherfucker's on the down low  
We on the down low  
Sir Scratch, he's on the down low  
K-Cut, on the down low  
LT is on the down low
