

Fruit

Abra

Tell me what you did last night
Did you close your eyes and think about me
Like i think about you
Tell me why you always fight
Waiting on you, get with it
Whats with the resistance baby

CHORUS

Donâ€™t listen to a word they say
Iâ€™m in your head like every day
And you deny yourself
And then you scream my name
And canâ€™t take it X2
No. No, I can't take it

Come chase the night with me
They say iâ€™m bad
You say it back
But you know you donâ€™t believe that
Eat the fruit that feeds your spirit
On your knees now baby
Eat it, eat it
(ahhh)

Are you really gonna stand there
Staring at me all the way from across the room
Are you really gonna stand there
Staring at me X4

Donâ€™t listen to a word they say
Iâ€™m in your head like every day
And you deny yourself
And then you scream my name
And I canâ€™t take it

No, donâ€™t listen to a word they say
Iâ€™m in your head like every day
And you deny yourself
And then you scream my name

And i canâ€™t take it X2
