

# Chuggin Is for Choo Choos

## Close To Home

Oh can you see the sights,  
Is this all a dream,  
Or is this violence part of the fakest scenes,  
You are so numb,  
Another fake, Such a replication,  
A bitter taste, For the latest fashion There's something wrong here,  
Take a look around and see,  
There's something wrong here,  
Is this really happening, You look so ignorant,  
Boy what you trying to prove,  
Your not original,  
Come on now bust a move,  
Look at him go  
,  
I'll show you what it means to love Chorus They'll never see this coming,  
They'll never know,  
They'll never see this coming,  
Hold tight and never let go  
Let go Chorus They'll never see this coming,  
They'll never know
