

# Dear Diary

M2m

Dear diary, something good happened today  
He finally called me by my name  
I didn't know how to behave  
What to say or do, I was so confused  
Dear diary, I wanna talk to him again  
But whenever he is with his friends  
He keeps trying to pretend  
But I already see, the way he feels for me  
What can I do, tell me what can I say?  
When do I let him know I feel the same way?  
How can my feelings be so hard to show  
When I really want him to know?  
Dear diary, he wrote some letters on his hand  
It wasn't hard to understand oh no no  
I figured I'm part of his plans  
But now I'm in his heart, I don't know where to start  
What can I do, tell me what can I say?  
When do I let him know I feel the same way?  
How can my feelings be so hard to show  
When I really want him to know?  
You're my secret hiding place  
Where my private thoughts are safe  
And just one look and he will see  
What's inside of me, me  
What can I do, tell me what can I say?  
When do I let him know I feel the same way?  
How can my feelings be so hard to show  
When I really want him to know?  
What can I do, tell me what can I say?  
When do I let him know I feel the same way?  
How can my feelings be so hard to show  
When I really want him to know?  
Dear diary  
Dear diary  
Dear diary  
Dear diary
