

Yes

Beyoncé¹

[Chorus]

I said yes to your number and yes to you dating me
Yes, we can be together, but you gotta wait for me
The first time I said no, it's like I never said yes (it's like I never said yes)
I said, "yes, we can be together," "yes, you can stay with me"
But when I say, "no, not tonight," you acting so ungratefully
The first time I said no, it's like I never said yes (it's like I never said yes)

You was on the wall, I was with my crew
You was watching me, baby, I was watching you
Slowly you walked over, I maintained my cool
You said hello to me, I said hello to you
You asked me where I'm from, I asked you what you do
You somehow intrigued me, I thought you were so cool
Somewhere between hi and goodbye I felt so comfortable
I felt like we could talk all night, so I gave my number to you

[Chorus]

Certainly you can call me, baby (baby); I love to here from you
Yes, of course you can come and see me, boy
Want to get to know you more; sure, I'm feeling you
No, baby, not yet--we can't take that next step
Why you getting so upset, boy? You
Act as though I never told you yes before; you are so ungrateful

You was at my house, I was sitting on my couch
You was really bugging, so I told you to get out
I had been misjudging you; you had a lot of nerve
You too damn old to be so immature; I hope you learned
You said I move too slow, I showed you to the door
You said you'd call me later, I said don't call no more
It is cool if you can't wait for me; I'm glad you let me know
'Cause you showed me your true face, baby, the first time I said no

[Chorus]

I said yes to your number and yes to you dating me
Yes, we can be together, but you gotta wait for me
The first time I said no, it's like I never said yes (it's like I never said yes)
