Mediator

Integrity

snaredin it`s path
can`t get away
i smolder
each and every day
i won`t forget the treats you made
it`s closing in on me
your rules don`t apply to me i`m not gonna talk it out
i`ve heard it all before
won`t hear it again
now i`m gonna make it end
condemed me
publicly
can`t back up a word you`ve said
you can`t run, you can`t hide
i`m gonna get my revenge
can`t keep me down
you never wanted me around
hated me from the start
now your words are tearing you apart
brought it all on yourself
you`re never gonna be safe
should have thought it over better
before you chose to mediate
never forget, never forgive
vengeance consumes my mind
it`ll keep building up inside
for as long as i live
