

Shotcaller

Taio Cruz

I'm switch flipper
Jump starter, button pusher
Heart knocker, show stopper
Script flipper, body rocker
Floor filler, sleek talker
Heart breaker, ninja killer
Love maker, a-- kicker
Name taker, rock star
I'm a shotcaller
I'm a black rocker
I'm a heartbreaker
I'm a script flipper
Show stopper
And when I say jump
You say how high
And when I say go
We go all night
You say ohhh, you say ohhh
And when I say jump
You say how high
And when I say go
We go all night
You say ohhh, you say ohhh
I'm a shotcaller
I go higher, roller dice
Throwing money, stack of red
Got the checks
Better startrek, lady killer
Jaw dropper, mixtaper, chart topper
Ghetto blaster, headliner, track slammer
Fire starter, rock star
I'm a script flipper
Show stopper
And when I say jump

You say how high
And when I say go
We go all night
You say ohhh, you say ohhh

And when I say jump
You say how high
And when I say go
We go all night
You say ohhh, you say ohhh
I'm a shotcaller
Yeah, yeah, shotcaller
Calling the shots
Yeah, yeah, shotcaller
Shotcaller
And when I say jump
You say how high
And when I say go
We go all night
You say ohhh
And when I say jump
You say how high
And when I say go
We go all night
You say ohhh, you say ohhh
I'm a shotcaller
And when I say jump
You say how high
And when I say go
We go all night
You say ohhh, you say ohhh
I'm a shotcaller
I'm a shotcaller
I'm a black rocker
I'm a heartbreaker
