

Breakers (iTunes Session)

Local Natives

Waiting for
My words to catch like I'm trying
To strike a match that's soaking wet
See through skull
See through skin
Leave all the lights on
Can't see out, but they see in
Stare down my nose, watching
The color drain from my eyes
Cold cereal and TV
Before I go to sleep
Breathing out, hoping to breathe in
I know nothing's wrong, but I'm not convinced
No, I know, I know, I've already told, myself
Maybe I'll believe it from somebody else
No, I know, I know, I've already told, myself
Maybe I'll believe it from somebody else
