

# Big Love

## Broken Social Scene Presents: Kevin Drew

I swear by love  
You got it all and much more  
Than one could ever hope for  
I would take a number  
Just to wait in line, for look  
And to gimme the high sign  
Red lights, green lights  
Go for the gold  
Something inside, I want you now  
I want it all, more than you know  
My mind is twisted, tied up in knots  
My heart is achin' from a shot in the dark  
I've got a feeling what this is all about  
I think it's time for big love  
I'm gettin' ready for the big love  
Every time I think about you  
I get a lump in my throat  
From the big beat in my heart  
I am helpless, hungry for attention  
I know you could see me fall apart  
Red lights green lights  
Go for the gold  
Something inside, I want you now  
I want it all, more, more than you know

My mind is twisted, tied up in knots  
My heart is achin' from a shot in the dark  
I've got a feeling what this is all about  
I think it's time for the big love  
I'm gettin' ready for the big love  
Yeah baby, I'm ready for the big love  
Ready, willing and able, give me  
The chance to show you I want it all  
Yeah more than you know  
My mind is twisted, tied up in knots  
My heart is achin' from a shot in the dark  
I've got a feeling what this is all about  
I think it's time  
My mind is twisted, tied up in knots

My heart is achin' from a shot in the dark  
I've got a feeling what this is all about  
I think it's time for big love  
I'm headed straight through the big love  
I'm comin' back, comin' back to the big love  
I'm gettin' ready for the big love  
Baby, I'm ready for the big love  
For the big love
