Take Me

Blake Babies

I'm gonna' be cruisin' the coast
Drinking my pop
I'm gonna' be kissin' all the girls
I'm gonna' be, I'm gonna' be singing all the rockI know you are all that's true
'Cause I'm feeling fine all the time
Turn me over now in a blessed state
Awaken my fateTake, me take me
I will go anywhere you be
To the stars or far below
You know what I meanYou bring me up with lots of luck
Like I'm feeling fine, most of the time
I'll close my eyes and jump to a blessed state
Awaken my fate
