

# Woke Up In The Morning

## Care Bears On Fire

ya ya ya ooh ooh ooh ay ooh ooh ooh ay ooh ooh ay ay  
And I want it right now!

I woke up in the morning and thought I was sitting pretty and I didn't realize that you was feeling tricky,  
surprise in your eyes, Just a little picky, I'm getting myself ready for now now now!  
It's what I really want and I'm going to get it right now. It's what I really want and I'm going to get it right  
now!]
