

Tear It Up

Delta Spirit

Just tear it up
Just tear it up
Just tear it up
Just tear it upJust tear it up
Just tear it up
Just tear it up
Just tear it upAnd by the way she told me
September's far too late
When her heart's like water
And a heart too strong to hateJust tear it up
Just tear it up
Just tear it up
You spare the lifeJust tear it up
Just tear it up
Just tear it up
You spare the lifeAnd as a set don't shatter
Brought the folks out to the street
All walks of life together
Put the past beneath their feetJust tear it up
Just tear it up
Just tear it up
Just tear it upJust tear it up
Just tear it up
Just tear it upYou spare the life
You spare the life
You spare the life
You spare the life
