

# Ring-A-Ding-Ding

## Appleton

I can't believe the things I'm hearing  
Are you leavin' me?  
Stand up and be the man that you  
That you claimed to beI think it's great that you've left me  
The last to know  
And it will come back to haunt you  
'Cause you let me goI've taken pleasure knowin' that you  
Never really knew me at all  
All the nights I've waited at home by the phone  
Hoping it will ring ding-a-ding-ding-a-ding-dingRing a-ding-ding-ding  
The rhythm goes  
Ring a-ding-ding-ding  
The rhythm goesNow I'm singing a different song  
Waiting all night long  
'Cause my love for you is goneI think it's funny knowin' that you  
Never really knew me at all  
All the nights I've waited at home by the phone  
Hoping it will ring ding-a-ding-ding-a-ding-dingRing a-ding-ding-ding  
The rhythm goes  
Ring a-ding-ding-ding  
The rhythm goesRing a-ding-ding-ding  
The rhythm goes  
Ring a-ding-ding-ding  
The rhythm goesNow I'm singing a different song  
How could you do me wrong?  
My love for you is goneIt all sounds the same  
Like the cold winter rain  
That keeps on falling  
DownNow I'm singing a different song  
Waitin' all night long  
My love for you is goneI'm singing a different song  
'Cause you did me wrong  
My love for you is goneI've taken pleasure knowin' that you  
Never really knew me at all  
All the nights I've waited at home by the phone  
Hoping it will ring ding-a-ding-ding-a-ding-dingRing-a-ding-ding-ding  
The rhythm goes  
Ring-a-ding-ding-ding  
The rhythm goesRing-a-ding-ding-ding

The rhythm goes  
Ring-a-ding-ding-ding  
The rhythm goes I think it's great that you've left me  
The last to know  
And it will come back to haunt you  
'Cause you let me go I think it's great that you've left me  
The last to know  
And it will come back to haunt you  
'Cause you let me go I think it's great that you've left me  
The last to know  
And it will come back to haunt you  
'Cause you let me go I think it's great that you've left me  
The last to know  
And it will come back to haunt you  
'Cause you let me go
