Boogie Grass Band

Conway Twitty

There's a new kind of music goin' 'round
It's known as 'The Boogie Grass Sound'
So grab your partner and swing her around
And dance to the Boogie Grass soundI love to hear Bill sing about Kentucky
And the Allman Brothers' 'Ramblin' Man'
We put the music all together
So dance to the Boogie Grass BandWell my Daddy plays the banjo and solves the fiddle too
Taught me how to sing and play for you
I got bluegrass in my soul and rhythm in my feet
So dance to the Boogie Grass beatI love to hear Bill sing about Kentucky
And the Allman Brothers' 'Ramblin' Man'
We put the music all together
So dance to the Boogie Grass BandI love to hear Bill sing about Kentucky
And the Allman Brothers' 'Ramblin' Man'
We put the music all together
So dance to the Boogie Grass BandYood ley yo yood ley yo leyee
