

# Boogie Grass Band

## Conway Twitty

There's a new kind of music goin' 'round  
It's known as 'The Boogie Grass Sound'  
So grab your partner and swing her around  
And dance to the Boogie Grass sound I love to hear Bill sing about Kentucky  
And the Allman Brothers' 'Ramblin' Man'  
We put the music all together  
So dance to the Boogie Grass Band Well my Daddy plays the banjo and solves the fiddle too  
Taught me how to sing and play for you  
I got bluegrass in my soul and rhythm in my feet  
So dance to the Boogie Grass beat I love to hear Bill sing about Kentucky  
And the Allman Brothers' 'Ramblin' Man'  
We put the music all together  
So dance to the Boogie Grass Band I love to hear Bill sing about Kentucky  
And the Allman Brothers' 'Ramblin' Man'  
We put the music all together  
So dance to the Boogie Grass Band Yood ley yo yood ley yo leyee
