Happy Tears

Cheryl

I cried when I heard you were cheatin,
I cried when I said I was leaving, I cried when my heart stopped believin',
But I'm all out of tearsThen I feel so weak, but I know I'm strong,
So I wipe my face and I just move on,
My eyes are red and my cheeks are dry,
Singin' my last goodbye[chorus]
I cut off my hair and I painted my toes,
I sold all the diamonds and burnt all your clothes.
I ain't ever gonna cry again
I ain't ever gonna cry again
I ain't ever gonna cry again
Unless they're happy tears
I bet you've been tryin' to call me,
I've locked all your numbers so you couldn't phone,
Don't wanna hear baby I'm sorry,
You don't get to apologiseCos' I'm not weak, I know I'm strong,
You hurt me once, your chance is gone,
Our love is dead but I'm still alive,
Singin' our last goodbye.[chorus]
I cut off my hair and I painted my toes,
I sold all the diamonds and burnt all your clothes.
I ain't ever gonna cry again
I ain't ever gonna cry again
I ain't ever gonna cry again
Unless they're happy tears
I cried when I slashed all your tyres,
I cried when your suits hit the fire,
I cried cos' I'll never see you again,
But those are happy tears (spoken)[chorus]
I cut off my hair and I painted my toes,
I sold all the diamonds and burnt all your clothes.
I ain't ever gonna cry again
I ain't ever gonna cry again
I ain't ever gonna cry again
Unless they're happy tears
