Advisory - the following lyrics contain explicit language:

Girl it's only you  
Have it your way  
And if you want you can decide  
And if you'll have me  
I can provide everything that you desire  
Said if you get a feeling  
Feeling that I am feeling  
Won't you come closer to me baby,  
You've already got me right where you want me baby  
I just want to be your man How does it feel  
How does it feel  
Said I want to know how does it feel  
How does it feel  
How does it feel I want to stop  
Silly little games you and me play  
And I am feeling right on  
If you feel the same-way baby  
Let me know right away  
I'd love to make you wet  
In between your thighs cause  
I love when it comes inside you  
I get so excited when I'm around you How does it feel  
How does it feel  
How does it feel  
How does it feel  
Said did it ever cross your mind  
How does it feel  
How does it feel  
How does it feel  
Tell me how it feels, yeah  
How does it feel  
Said it's been on my mind

How does it feel  
How does it feelBaby close the door  
Listen girl I have something I want to show you  
I wish you'd open up cause  
I want to take the walls down with you
