Under the Sheets

Homeshake

Baby, I can see that look in your eyes
And I know you wish I [?]
But I can't [?]
She's not looking for a way out
And a happy decent and there's no doubt
And I'd still give her the good life
It's not right
If my baby loves me under the sheets
Yeah
My baby loves me under the sheets
Yeah
My baby should love me
Do do do oh
Do do do do do do oh
Do do do oh
Do do do do do do oh
Baby, I know I've been gone everyday
And I know I'll never know what I should say
But I can't keep doing this four years making you [?]
She's not looking for a way out
And a happy decent and there's no doubt
And I'd still give her the good life
It's not right
If my baby loves me under the sheets
Yeah
My baby loves me under the sheets
Yeah
My baby loves me under the sheets
Yeah
My baby loves me under the sheets
Yeah
My baby should love me
She's not looking for a way out
And a happy decent and theres no doubt
And I'd still give her the good life
It's not right
If my baby loves me under the sheets
