

Desert Me

Tantric

My patience has run thin
No longer tolerant
Tired of being used
By everyone of you Tell me another lie
So you can feel the pain inside Well, it's time for me to do it to you
What you have always done to me
Desert me, you all desert me
Desert me, you won't desert me anymore What do you have to say for yourself?
Now you're alone there's no one else
Do you look back onto your life
Wishing there was another time? Tell me another lie
So you can feel the pain inside Well, it's time for me to do it to you
What you have always done to me
Desert me, you all desert me
Desert me, you won't desert me anymore Don't move away from me
I'm not feeling your tears
And if you should go away
You won't have the strength to stay away Well, it's time for me to do it to you
What you have always done to me
Desert me, you all desert me
Desert me, you won't desert me anymore
