Time to Let Go (CFCF Remix)

Sally Shapiro

Feeling of despair
After you have gone
I'm thinking and I wonder
What I should have doneI close my eyes
Even though I'm in love I'm cold as ice
I feel it's time to let goYou sent me a letter
Without no reply
I wish I would be better
But I'm too shyYou are so fine
And I'm thinking about you all the time
I want to rise up and shine like the sun
I want to say, "come to me 'cause I won't run"
I feel it's time to let go
