

As One As Two Can Be (Acoustic Version)

[Rebecca Lynn Howard](#)

We've stuck together, ain't we baby
What were the odds of that
They bet against us, called us crazy
Ah honey now they can't get their money back 'Cause you filled up an empty hole
In my heart, in my soul
And I want them all to know [Chorus;]
Everyday that goes by
We walk through another door
And I love you a little more
Than the day before
I'm half of you, you're half of me
As one as two can be
As one as two can be Here I am sad with you baby
Joined together to at the heart
Soul connected it's hard to tell, honey
Where I end and where you start
Ooh how much closer could we be
And that's why I'm so in sync
We share the same heartbeat
