I Know You

Broncho

It's your wedding It's your wedding too It's a feelin that you're feelin ThroughKeep your head on tight Get to feeling right You'll be safe tonight only if you keep It at a medium highDon't worry about I'll always do Tryin to wonder why I know you I don't understand I'll always do I know youKeep the money alive Keep a medicine mind And you'll realize or you wouldn't Even wanna be here tonightTryin hard for me But what's the use for everybody I know youI don't understand I'll always do I know youTry so hard for me But what's the use everybodyDon't worry about I'll always do Try to wonder why I know you I don't understand I'll always do I know youIt's your wedding It's your wedding too It's a feelin that you're feeling ThroughI know you
