

# Another Day (2007 Remix)

## Dream Theater

Live another day  
Climb a little higher  
Find another reason to stay Ashes in your hands  
Mercy in your eyes  
If you're searching for a silent sky You won't find it here  
Look another way  
You won't find it here  
So die another day The coldness of his words  
The message in his silence  
I face the candle to the wind This distance in my voice  
Isn't leaving you a choice  
So if you're looking for a time to run away You won't find it here  
Look another way  
You won't find it here  
So try another day They took pictures of our dreams  
Ran to hide behind the stairs  
And said, "Maybe when it's right for you, they'll fall" But if they don't come down  
Resist the need to pull them in  
And throw them away  
Better to save the mystery  
Than surrender to the secret You won't find it here  
Look another way  
You won't find it here  
So try another day
