

Wan Light

Orange Juice

There is a place which no one has seen
Where it's still possible to dream
An uncharted world which will be unfurled
Wander constantly by glistening streamsThrough wooded glades on my trusted steed
Air rushing through the trees
I'll wander until the power of your will
Sends messages which I must heed
Wan light surrounds my heart
Its chimes make light of this dismal plightLong since forgotten, slightly subdued
Ardour must be renewed
A timely reminder of all that runs true
Life began when I met youWan light surrounds my heart
Its chimes make light of this dismal plight
Is this what life is all about?
Is this what life is all about?
