What Do You Say?

Sierra Hull

See my teardrops fall,
Give me none or give me all,
don't just leave me hanging round,
as my tear drops hit the ground.
Chorus:
you can let me go,
you can walk away,
you can leave right now or you can stay,
what do you say?
Something tells me,
you don't know what you're gonna do,
You just keep me dragging on,
tell me what have I done wrong.
you can let me go,
you can walk away,
you can leave right now or you can stay,
what do you say?
you can let me go,
you can walk away,
you can leave right now or you can stay,
what do you say?
