

When the Tears Fall

Newsboys

I've had questions, without answers
I've known sorrow, I have known pain
But there's one thing, that I'll cling to
You are faithful, Jesus You're true When hope is lost, I'll call You Saviour
When pain surrounds, I'll call You healer
When silence falls, You'll be the song within my heart In the lone hour of my sorrow
Through the darkest night of my soul
You surround me and sustain me
My defender, forevermore When hope is lost, I'll call You Saviour
When pain surrounds, I'll call You healer
When silence falls, You'll be the song within my heart And I will praise You, I will praise You
When the tears fall, still I will sing to You
And I will praise You, Jesus praise You
Through the suffering still I will sing When hope is lost, I'll call You Saviour
When pain surrounds, I'll call You healer
When silence falls, You'll be the song within my heart Oh yes, You are good to me
You've always been good to me
So trustworthy When hope is lost, I'll call You Saviour
When pain surrounds, I'll call You healer
When silence falls, You'll be the song within my heart And I will praise You, I will praise You
When the tears fall, still I will sing to You
I will praise You, Jesus praise You
Through the suffering still I will sing How faithful and true sustain me through and through
You are hope and truth
You're my spring of living water
You're my spring of living water
In the lone hour you are there
You're in my sorrow
You're my hero Like warm water guiding
Whose springs never fail
Be faithful and true
Like warm water guiding
Like a spring it never fails
You're my spring it never fails
