LoveSong

Adelle

Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole again

Whenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun again

However far away I will always love you
However long I stay I will always love you
Whatever words I say I will always love you
I will always love you

Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again

However far away I will always love you
However long I stay I will always love you
Whatever words I say I will always love you
I will always love you

However far away I will always love you
However long I stay I will always love you
Whatever words I say I will always love you
I will always love you
I will always love you
'Cause I love you
