You Want What You Want

Youngstown

Too much of any thing can bring you down
You rather live in excess than to die and drown
You better have a damn good soul for going in the ground
As long as you can swim, as long as you can beYou want what you want when you want it
You'll do anything just to have it
When you finally see that you got it
You don't want it anymoreYou take candy from a baby
And you call yourself a lady?
And when your desire's faded
Do you want me anymore?If I would let you live in me
How deep inside would you have to be?
Before you realized you couldn't breathe
I wouldn't want to see what I'd be when you leaveYou want what you want when you want it
You'll do anything just to have it
When you finally see that you got it
You don't want it anymoreYou take candy from a baby
And you call yourself a lady?
And when your desire's faded
Do you want me anymore, anymore?You want what you want
You want what you want
You want what you want
You want what you want
You want what you want
You want what you wantYou want what you want when you want it
You'll do anything just to have it
When you finally see that you got it
You don't want it anymoreYou take candy from a baby
And you call yourself a lady?
And when your desire's faded
Do you want me anymore?You want what you want when you want it
You'll do anything just to have it
When you finally see that you got it
You don't want it anymoreYou take candy from a baby
And you call yourself a lady?
And when your desire's faded
Do you want me?Do you want me anymore?
Do you want me anymore?
You want what you want
