Exotic (Popeska Remix)

Priyanka Chopra

Cool me down
I'm feeling so exotic
Ya right now,
I'm hotter than the tropics
Take me down (Mr. Worldwide)
Mumbai Cuba baby let's go (Priyanka)
La-love me all the way o Rio (Desi girl)
I'm feeling so exotic

Tumko jo dekha maine
Toh maine ye jaan liya hai
Pardesi babu ne
Iss desi dil ko maan liya hai
Iss desi dil ko maan liya hai

I'm like Bon Jovi I'm wanted
Dead or alive, and ya better get with it
And in music game i'm more of a dead than alive
But that's okay, i live with it
That's why I live everyday like my last
Priyanka step on gas
From Morocco to Mumbai
Bollywood, Hollywood is all about the money
Hey!

I'm wanted dead or alive
And you better get with it

Baby it's so beautiful
Must just play and see
But if you want the world
I suggest you come with me (come with me)
La-la la la la (Come with me)
La-la la la la

Cool me down
I'm feeling so exotic
Yea right now
I'm hotter than the tropics
Take me there

Mumbai Cuba baby let's go
La-love me all the way to Rio (x2)
Desi girl
I'm feeling so exotic

Tumko jo dekha maine
Toh maine ye jaan liya hai
Pardesi babu ne
Iss desi dil ko maan liya hai
Iss desi dil ko maan liya hai

To Cuba's free

But i meet you in Rio for sure
But performing a pits sharp in Miami
How many he need a old school photos
Got women but both lows
Were from Duchies, Rolex and Cocos
To the Exhumers, Turks and Caicos
No more rumors maybe say so_s
It's a fact there is no lie
Give me ready over fetcher n tie us
Ms World & Mr Worldwide
You already know that this thing is on fire

Baby it's so beautiful
I must just play and see
But if you want the world
I suggest you come with me (come with me)
La-la la la la (Come with me)
La-la la la la

Cool me down
I'm feeling so exotic
Yea right now
I'm hotter than the tropics
Take me there
Mumbai Cuba baby let's go
La-love me all the way to Rio
La-love me all the way to Rio

Desi girl
I'm feeling so exotic

Tumko jo dekha maine
Toh maine ye jaan liya hai

Pardesi babu ne
Iss desi dil ko maan liya hai
