Crazy Baby

Van Broussard

Crazy, crazy, crazy Baby
Thatâ€™s what I am over you

Crazy, crazy, crazy Baby
You know I love just you

You got me runninâ€™ round in circles
Waitingâ€™ for you to decide

Crazy, crazy, crazy Baby
Câ€™mon and be my wife

All of my life
I waited for someone like you

Crazy, crazy, crazy Baby
You know I love just you

SOLO

All of my life
I waited for someone like you

Crazy, crazy, crazy Baby
You know I love just you

Crazy, crazy, crazy Baby
Thatâ€™s what I am over you

Crazy, crazy, crazy Baby
You know I love just you
